Lights in our Lives

Enhance Alma Committee

The Enhance Alma Committee invites you to participate in our Celebration of Lights in our Lives... people whose memories we cherish, whose gifts of service to our country have helped preserve our freedom, whose loving kindness we treasure or to whom we simply wish to express a holiday greeting!

For a donation of \$5.00 each, you can dedicate a light on our Community Holiday Trees. Proceeds will be used for Enhance Alma projects.

Names of all those honored or in memory of will be listed in the Buffalo County News the week of Christmas. Deadline is Saturday, November 28, 2026. The Christmas trees at Orange Street will be on the whole month of December in honor of the lights in our lives!
